

Writing a Story

Write each part of the story in a different box. After each section, fold over the page so the story cannot be seen by the person behind you.

1. Write a boys name and two *adjectives* (けよし) to describe him.
2. Write a girls name and two adjectives to describe her.
3. Write where they meet.
4. Write what he says to her.
5. Write what she says to him.
6. Write what their friends say about them.
7. Write where they go.
8. Write what they do there.
9. Write an ending.
